Woodland Grange  
Old Milverton Lane  
Leamington Spa  
Warwickshire  
CV32 6RN

## Space to think

Whether you're planning a large-scale conference, training course, business meeting or workshop; whether you need a single room or several, we've got the space – and the flexibility – you need. And with air conditioning, temperature control, soundproofing, natural daylight and blackout facilities throughout, you'll be relaxed, even when you're working hard.

We have a total of 26 meeting rooms available in a range of layouts and combinations. Our largest suite accommodates up to 200 people, while our smaller syndicate rooms are ideal for small meetings or break-out sessions.

## Good taste

Our team of skilled chefs combines creativity, style and substance to create superb contemporary cuisine in a range of settings. Our oak-panelled dining room is perfect for formal occasions, while The Lawns restaurant has a more relaxed feel.

Our coffee bars and internet lounge offer a low-key twist on luxury, with lighter food and refreshments available throughout the day. And our residential guests can relax in the evening in our extensively-stocked bar, the quiet haven of our atrium lounge or – in summer at least – our peaceful courtyards.

## Time out

Business life can be tough. You need time to relax. We believe our leisure facilities are second to none. Workout in our fully-equipped gym, relax in our jacuzzi and sauna, enjoy a beer over a few frames of pool or test your skill on our games consoles. Work hard, certainly, but take time to chill too.

## Dedicated to business

Like all EEF venues nationwide, Woodland Grange is dedicated exclusively to business events. That means we understand your needs completely and strive to meet them with outstanding service, excellent facilities and an all-inclusive delegate rate.

So whether it's a business meeting, training programme, team-building exercise or conference, our expert team is entirely focused on making your business event simple, streamlined and successful.

Woodland Grange has achieved AIM gold accreditation – the highest accolade given by the Meetings Industry Association. What other recommendation do you need?

---

“The facilities were, without doubt, the best I’ve used. The food was stunning and our event ran very smoothly. Choosing this venue made a very positive impact on our employees, as the quality and professionalism of the venue supported the key messages we were communicating.”

*Rick Allen, Training Manager, First Utility*

## Prime location

Woodland Grange combines an idyllic rural setting with unparalleled business sophistication. Its location at the heart of the Midlands motorway network makes it easily accessible from anywhere in your hectic business world. But we promise, once you’re there, that world will seem a million miles away.

- M40, M42, M6 and M69 all within 20 minutes drive
- 10 minutes from Leamington and Birmingham mainline stations
- 20 minutes from Birmingham International airport
- Close to the cultural centres of Warwick and Stratford-on-Avon
- Extensive car parking with 24-hour CCTV coverage

## State of the art

Our absolute professionalism is underpinned by outstanding technology. All our rooms have complete WiFi access, laptop connections, in-room computers, ceiling mounted data projectors, audio systems and video players. And if you have any other technical requirements – including ISDN facilities – we can provide them, with just a little advance notice and at no extra cost.

All of this – plus the usual flip charts, telephone, whiteboard, pencils and pens are included as standard in our package.

No hidden extras. No surprises.

---
